

2017 / 2018 Winter Run Series | SERIES POINTS RULES

1. Every athlete signed up for any Winter Run Series event can score series points by placing in the top 10 in their age group in any of the six events throughout the series. Point values are awarded based on your finishing position.
2. The age of the athlete as of December 31st, 2017 is your age group for the entire series!
3. Top three overall male and female are removed from their respected age groups at the **END** of the series.
4. ALL scores count towards your final series total. You must compete in at least 4 races to be eligible for a series award
5. All "Be Easy 5k" results are combined with competitive 5k results based on finishing time and age when calculating series points.
